No Seat at the Table "It's often easier to exclude women from social/networking opportunities (e.g. a golf buddy weekend) as these omissions are typically less overt (than e.g. an established business conference) and thus more difficult to identify." "Egregious example: Getting taken to Hooters for lunch.

No Seat at the Table — The Elephant in the Valley

I have no doubt there are dozens of reasons why you should have a seat at the table, but you need to narrow them down to your top three. The point of this exercise is not to email your top three reasons to anyone. The point is to give yourself clear, concise talking points when you speak to the meeting organizer.

4 Insights on How to Take a Seat at the Table

As Mark Schwartz points out in his compelling new book, A Seat at the Table, when CIOs re-conceptualize their role based on Agile principles, they will stop worrying about having a seat at the table, and start realizing all of the full potential of IT.

No seat at the big boy table for Clippers - Daily News

That -is- very direct but "seat at the table" is already tempered; it implies you're participating, not dictating. You can temper a little bit more with some cheery informality perhaps: "The meeting sounds like a great idea, I'll expect a seat at the table." You might even take more "ownership" by expanding the conversation to.
