Physics 172 Exam Archive
I got a low C on the second exam and still got an A+ in the class! Thank god for heavy curving! level 1. Computer Engineering 2013 6 points - 9 years ago. Go to the physics help room and look for a guy working there named Lloyd.... try to solve every problem starting from 1 of the 3 basic principles. This is what differentiates PHYS 272/172 ...

Phys 172 : Purdue - reddit
I was in the same boat as you; pretty strong math background (got out of Calc 1 and 2 with AP credit) and got 4s on both Mechanics and E6M. The big thing about PHYS 172 that makes it different from AP Physics C is that it's taught based on momentum, unlike in AP Physics C, where a majority of problems were based on F=ma and kinematics equations.

How difficult is PHYS 172 / tips for doing well? : Purdue
Phys 172 exam 3. I done goofed. Close. 7. Posted by: u/PrinceThunder. 2 years ago. Archived. Phys 172 exam 3. I done goofed. After getting a 77 and 90 respectively on the first two exams I somehow managed to only get 3 of the 10 mult. choice questions right on this last exam.. (They haven't given back the free response).

Phys 172 exam 3. I done goofed. : Purdue - reddit
1 PHYS 272 Fall 2010 Practice Exam 1 There are two parts to the Exam 1, part 1 is a machine-graded test (multiple choice problems) and part 2 is a separate test that you turn in to be graded by hand. A formula sheet is provided (see end page). Machine Answer Sheet:

PHYS 272 Fall 2010 - Purdue University
Well every year is different but I took it in 2010 and our questions were copied/pasted from exams 1, 2, and 3. We also had a crazy low average that year –60% so they were looking for a way to raise grades. Regardless, go to TA office hours and redo hw problems.
