Berman, who wrote the parenting bible Permission to Parent, says that raising confident, self-reliant teenagers requires that parents first have confidence in their children. And that they let them make mistakes—and solve them on their own.

How To Raise Self-Reliant Children & Tools For Parenting ...

Self-reliant children tend to be independent and are more likely to develop better academic and social skills. They are also more mindful in nature and better aware of the choices they make. Parents need both patience and practice to ensure that their children learn the skills that would make them self-reliant.

Raise a child: how to raise a self reliant child ...

Tips to Raise a Confident and Self-Reliant Child Many children today are coddled by so-called helicopter parents who are overly involved in their child's lives. It is important to keep our children safe and to make sure they have the tools they need to succeed, but it is just as important to step back and let them become who they are going to be.

Simple Tips for Raising Your Child to be Self-Reliant ...

Don't raise a people-pleasing child. If you're raising a child that you're rescuing and helping and over-indulging them, eventually they'll turn on you. This is what they found in recent studies in Sweden. That they've gotten the kids so so self-absorbed that they can't get them to do anything, because they become cynical.

How to raise a self-reliant child | Kids in the House

Raising self-sufficient kids is about more than just teaching life skills. Here's how to create a home that nurtures your child's confidence and independence. When they were toddlers you spent hours teaching them how to tie their shoes. When they turned 10, you gave them the low-down on how to use the washing machine.
