### The Halo Effect And Eight

The Halo Effect is "a tendency to make inferences about specific traits on the basis of a general impression. It's difficult for most people to independently measure separate features; there's a common tendency to blend them together. The Halo Effect is a way for the mind to create and maintain a coherent and consistent picture to reduce ...

### The Halo Effect: . . . and the Eight Other Business ...

The Halo Effect is something as paradoxical as a business book about how bad business books are. The main objection is that while most management books describe their formulas for success as the result of scientific study they are in fact often just pseudoscience combined with good storytelling.

### The Halo Effect: ... and the Eight Other Business ...

The Halo Effect not only identifies these delusions that keep us from understanding business performance, but also suggests a more accurate way to think about leading a company. This approach—focusing on strategic choice and execution, while recognizing the inherent riskiness of both—clarifies the priorities that managers face.
