The manga guide to linear algebra (2) by Wilfredo PALOMINO ...

I recently received a review copy of The Manga Guide to Linear Algebra.. The "Manga Guides" have been very popular and currently the series includes such topics as Biochemistry, Calculus, Databases, Electricity, Electricity, Molecular Biology, Physics, Regression Analysis, Relativity, Statistics, and The Universe.The front of the book includes rave reviews for these earlier books in the series.

Manga Guide to Linear Algebra - Review

The Manga Guide to Regression Analysis looked like an enjoyable way for me to try manga and perhaps find a book to recommend those whose love of math does not match mine. The Preface says that the intended audience is “statistics and math students who may be having difficulty grasping regression analysis, or anyone wanting to get started with statistical predictions or probabilities”.
