Turban E Commerce

I am a big fan of the tech books of E. Turban. His Decision Support Systems & Intelligent Systems was my first intro to his spin on tech topics. He and his co-authors have put together a really nice guide for management still in the "chin stroking" mode on what to do with E-Commerce.

Electronic Commerce: A Managerial Perspective: Turban ...

Turban is the author of over 100 refereed papers published in leading journals such as Management Science, MIS Quarterly, and Decision Support Systems. He is also the author of 20 books including Electronic Commerce: A Managerial Perspective and Information Technology for Management. He is also a consultant to major corporations worldwide.
