The man's word is law and the consequences may range, but in this book it revolves around spanking, be it over the knee, with a paddle or cane. We meet the main characters of this novel after they have already been married a month. The couple have an age gap of twelve years. Jared is 35 years old and grew up with the Rod and Cane Society in his life.

After reading the first book in the series, Unexpected Consequences, I figured I was done with this genre. But I really like Cara Bristol's writing style so I went against my fighting ability and bought this book. Emma Dupree is a journalist looking for her big break in journalism while working a boring dead end job.
